SUBJECT: Notice of Decisions Relating to the **March 8, 2012 Planning and Development Board Meeting**

The City's Zoning and Land Development Regulations requires the Department of Planning & Development Services to notify the Mayor, City Commission, and the City Manager of decisions made by the **Planning and Development Board**. The purpose of this notice is to provide the opportunity for the Mayor and City Commission to:

Initiate a City Commission Request for Review of a Board Decision (CRR). The process for a CRR is initiated if three members of the City Commission file a request for review in writing within fifteen (15) days of the Board's action, said statement to be filed with the City Clerk, with a copy to the appropriate department by **March 23, 2012**. Or, a CRR can be initiated if three or more members of the City Commission request a review during City Commission comments at a City Commission meeting, which is within fifteen (15) days of the Board's action. If three or more Commissioners request or file a request for review, a de novo public hearing will be set.

Should you wish to initiate a CRR, please contact the Department of Planning and Development Services for an application. Please note the Code requires the City Clerk receive all CRR within fifteen (15) days of the date a decision is reached by the Board. As such, CRR filed after **March 23, 2012** would not be consistent with the Code and could not be considered.

A copy of this memorandum has been forwarded to all neighborhood associations representing properties appearing on the agenda. In this manner, the neighborhood association is made aware of the action taken by the Board should they wish to encourage the Mayor and City Commission to file a request for review of the Board's decision pursuant to the procedures set forth above.
